

ENVIRONMENTAL POLICY

The Environmental Policy of Cosmo Films Limited is:

- ❖ To comply with all the applicable environmental legislations and regulations.
- ❖ To monitor, control & prevent pollution and improve the environmental performance on a continual basis.
- ❖ To comply with any other legal requirements regarding environmental impacts of CFL's activities & products, and commit to fulfill compliance obligations.
- ❖ To provide a framework for setting and reviewing the environmental objectives and targets.
- ❖ To improve our environmental performance to prevent air, noise, water and soil pollution.
- ❖ To reduce waste generation on a continual basis and commit towards protecting the environment.
- ❖ To reduce the consumption of resources such as water, energy and materials, on a continual basis.
- ❖ To document, implement and maintain an Environmental Management System according to ISO-14001.
- ❖ To train and involve all employees of CFL, towards achieving the objectives & targets derived from this policy.

This policy shall be communicated to all employees, including contract workmen and it is available to the public.
